MEMORANDUM FOR: Deputy Director for Science and Technology
SUBJECT : Intelligence Community Awards

1. DCID 1/18, "Recognition of Exceptional Service to the U.S. Intelligence Community," establishes a system of honor and merit awards for which it will be necessary to develop award certificates and a citation form.

2. Since the Office of Technical Service possesses the primary Agency capability in this field, it is requested that OTS do the necessary design work and provide such other support to the IC Staff as will ensure early availability of the certificates.

3. [redacted] will be the Intelligence Community staff contact for OTS on this project. He already has discussed requirements informally with [redacted] GARD/OTS.
